Annual Campus Security Report

INTRODUCTION

Aultman College of Nursing and Health Sciences (ACNHS) prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The report is prepared by the College in cooperation with Aultman Hospital Security. The annual Security Report includes statistics for the previous three years concerning reported crimes that occurred on campus and on public property within, or immediately adjacent to and accessible from, the ACNHS campus. The report also includes institutional policies concerning campus security and other matters. A hard copy of the report is available by contacting the Registrar.

The College makes this information available to all students, employees, and applicants for enrollment or employment, as required by the United States Department of Education.

SECURITY ON CAMPUS

Aultman College of Nursing and Health Sciences (ACNHS) is a subsidiary corporation of Aultman Hospital. ACNHS is located on the campus of Aultman Hospital where the Aultman Safety and Security Office provides services for ACNHS.

Safety and security on campus is of paramount importance to the College. Aultman Security seeks to provide a safe campus environment and regularly patrols the campus area. Although ACNHS does not have a history of serious crimes, no campus is immune. The complete cooperation and commitment of students and employees is necessary to maintain a truly safe environment. Students and employees must assume responsibility for their own safety and for the security of their personal belongings.

Aultman Security officers have the authority to ask persons for identification and to determine whether individuals have lawful business at the College. Aultman Security officers have the authority to issue parking citations but do not have arrest power. Aultman Security maintains a professional working relationship and refers criminal incidents to the Canton City Police Department (CCPD) who have jurisdiction on the campus. All crime victims and witnesses are strongly encouraged to immediately report a crime to Aultman Security and Canton City police. Prompt reporting will assure timely warning notices on campus and timely disclosure of crime statistics.

Aultman Security can and do respond to student-related incidents that occur on campus. Aultman Security also has direct communication with Canton City police, fire, and ambulance services to facilitate rapid response in any emergency situation.

SECURITY AND AWARENESS PROGRAMS

During student orientation students are informed of services offered by Aultman Security. Students are also routinely informed of ways to maintain personal safety. Similar information is presented to new employees.

The Student Life Coordinator organizes periodic programs on campus that deal with student safety; Aultman provides similar updates for employees. Program schedules are communicated to students via student portal announcements, student email messages, the monthly student newsletter, and bulletin boards located in common areas on the campus. Communications to employees are made via the College-wide email system or the Aultman Intranet.

GENERAL SAFETY PRECAUTIONS

A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own safety and the safety of others. To enhance personal safety, Aultman Security officers are available to escort students to and from their vehicles parked on the Aultman campus. Students and employees are encouraged to use this service after dark.

Members of the College community are encouraged to assume responsibility for their own personal safety and security of personal belongings by taking the following simple, common sense precautions.

- Although the campus is well lighted, do not walk alone in the campus area after dark.
- Keep purses/billfolds and other valuables with you or stored in a campus locker, locked office or desk.
- Do not provide personal identifying information over the phone.
- Report any potential fire hazards or broken equipment to the Aultman Help Desk at 330-363-6238.
- Report any unusual circumstances to the College front desk (330-363-6347) or to Aultman Security (330-363-6268).

REPORTING CRIMINAL OFFENSES

In the event of an emergency, dial 911. To report a criminal offense call Aultman Security at 330-363-6268 (non-emergencies) or by using any of the security phones that are located on the Aultman campus. In addition, you may report a crime to any ACNHS faculty or staff.

Any suspicious activity or person seen on or near the Aultman campus, should be reported to Aultman Security.

Aultman College of Nursing and Health Sciences encourages anyone who is the victim or witness to any crime to promptly report the incident to the Aultman Security.

All reports will be investigated. Violations of the law will be referred to Canton City police by Aultman Security.

WENS SAFETY ALERT SYSTEM

Aultman College utilizes a Internet-based mass communication system, called WENS (Wireless Emergency Notification System), to notify all students, faculty and staff of school closings and emergency situations. In the event of an emergency situation or school closing, an official message will be sent to all communication devices students have registered with Aultman College. The WENS caller ID for text or voice communications will read 330-363-6911 on a landline or cell phone. WENS e-mail communications will come from "Aultman College". WENS communications will continue to be sent until WENS confirms it has been received via an answered device or an opened e-mail or text message. Students are responsible for keeping all of their contact information current with the College. Phone number and contact information changes should be communicated through Change of Information form, available in the Main Office.

ACCESS TO CAMPUS BUILDINGS

Aultman College of Nursing and Health Sciences is an independent institution and considered private property. A photo identification badge is issued to each student and employee which provides access to the appropriate areas. Persons who do not have legitimate business on campus may be asked to leave or considered as trespassers. During business hours, the College is open to students, parents, employees, hospital personnel, contractors, guests, and invitees.

Aultman College of Nursing and Health Sciences (ACNHS) has adopted the following substance abuse policy for the purposes outlined below:

- To establish and maintain a safe, healthy learning environment for students/employees.
- To provide a safe, healthy environment for clients while providing care.
- To preserve the reputation of the College and its employees within the community at large and within the health care community.

The College opposes substance abuse and will enforce its rules regarding alcohol and illegal drugs. The College supports and will cooperate with authorities at the local, state and federal levels regarding the regulation of alcohol and illegal drugs. The college will not protect a student/employee in violation of the law from prosecution under federal, state or local law. The college will not provide sanction from the law nor are the students/employees immune from legal investigation or arrest by civil authorities.

The following rules represent ACNHS policy concerning substance abuse.

- All students are prohibited from attending class, labs or clinicals of any nature or any college related activities under the influence of alcohol or illegal drugs.
- All employees are prohibited from working under the influence of alcohol or illegal drugs.
- The manufacture, sale, possession, distribution or use of illegal drugs on Aultman property or while engaged in official ACNHS educational activities is strictly prohibited and cause for dismissal.
- For purposes of this policy, "illegal drug" includes any prescription drug for which the individual does not have a valid prescription. Only the person for whom a prescription drug is issued can bring the medication on Aultman property in its original container. The student/employee must use the prescription drug only in the manner, combination, and quantity prescribed.

The College requires a student to submit to blood, breath, or urine testing for drugs and/or alcohol for reasonable cause. Refusal to submit to testing for reasonable cause is grounds for dismissal. ACNHS Substance Abuse Prevention Program outlines information for referral resources for counseling and/or treatment, specific local, state and federal laws governing unlawful possession and distribution of illicit drug and alcohol and health risks associated with the use and abuse of alcohol and/or illicit drugs. ACNHS Substance Abuse Prevention Program information is available in Aultman Hospital's Health Services, the College Financial Aid Office, the College website and the Student Portal.

Violent Offenses of Conduct

Threats

A threat to inflict harm on oneself or others, while on the College premises or at College sponsored events, must be taken seriously and responded to immediately. A person hearing such a threat should report it immediately to one of the following College officials: security, administrative staff, or faculty.

Aultman College of Nursing and Health Sciences strives to maintain an environment where people of different beliefs and values can learn to live harmoniously. Therefore, any type of verbal or nonverbal harassment, intimidation, retaliation or threatening behavior on the part of students will not be tolerated. Depending on the circumstances, this type of behavior could result in dismissal from Aultman College of Nursing and Health Sciences.

Assault

A sexual assault committed by a member of the campus community against another member of the campus or local community will result in immediate dismissal from campus and/or any other ACNHS activities. Criminal or civil charges may result. The College encourages all victims to report sexual assaults and seek immediate medical treatment. Reporting the crime ensures that victims receive the needed services, gives victims a feeling of control, enhances their recovery and also deters assaults from happening to others.

- Obstruction or disruption of the normal operations of the College or activities authorized by the College.
- Theft or damage to property of the College or property of any visitor, or member of the College community.

The Coordinator will also advise the student of his/her right to make an appointment to meet with the Coordinator to discuss the violation within three (3) calendar days of the notice of the charge. If the student fails to respond or elects not to respond he/she waives the right to resolve the alleged violation at this level. The Coordinator will move forward in the student's absence with any determination in the case, including the appropriate discipline, if any, and issue a written decision.

Students have the right to appeal action taken by the College which they feel has not been equitable. The student should make reference to the Conduct Grievance/Appeal Procedures.

If a student is reluctant to report harassment to the Student Affairs Coordinator, he or she may choose to report the incident to the Student Advisor or his/her faculty advisor. Complaints of harassment, sexual or otherwise, will be promptly and carefully investigated. The College will protect the confidentiality of those involved to the extent

Aultman College of Nursing and Health Sciences will not retaliate against an individual who makes, in good faith, a report of harassment or who provides, in good faith, information in an investigation.
