

PIZZA & STROMBOLI

Voted "People's Choice" as best pizza in Canton
1997, 1998, 1999 and 2000
(The only four years we entered the Pizza Challenge)

Growing up in an Italian community (decades ago!!!) in the east end of Canton, my passion for the aroma and tastes of Italian food developed. Some of my fondest memories are the great old fashion pizza from neighborhood pizzerias, some of who still exist. After high school, I traveled and lived out West. At the urging of friends, I opened my first pizzeria. In years to come, I would own several more, still loving pizza and learning so much more about tasty variations of this once "humble pie." I continued to find a wealth of delicious ingredients, sauces and toppings. The combinations are unlimited! The willingness and interest of the western population to try and appreciate the variety of FRESH healthy toppings enabled me to experiment and create. It is with great pleasure that I can bring back and share my success of 25 years with my family here in Canton!
