## HEALTH SCIENCES

## About the Program

The associate of science in health sciences (ASHS) program at Aultman College is designed for students who are exploring career options in the health care industry, as well as those who are already employed but need a degree to advance.

After completing the ASHS program, students are prepared to begin their career immediately following graduation or they may choose to pursue a bachelor's degree in a health care field.

## Admission Requirements

- Graduating high school students must have a minimum 3.0 high school GPA ( 660 GED) or a minimum 20 ACT ( 1030 SAT or ACCUPLACER Next Gen scores: Reading Comprehension of 250+ and a Quantitative Reasoning, Algebra and Statistics Score of 263+).
- Transfer students must have 6 or more credit hours of college course work and a minimum GPA of 2.5 based on the most recent college transcript.

## Application Process

The Health Sciences Program admits students in fall and spring semesters. Interested students will need to submit a completed application online at aultmancollege.edu and submit official high school and college transcripts.
