

Bachelor of Science in Nursing Completion (BSNC) Curriculum Plan

Please review the complete list of courses offered for the Bachelor of Science in Nursing Completion program (BSNC). Select courses are available in a hybrid format with a portion of the instruction delivered face-to-face in the classroom and the remaining course content delivered online.

For a BSN degree, 120 credit hours are required to graduate from Aultman College. Thirty-two (32) of those credits are granted for an active RN license.

Students must complete twenty-six (26) additional credit hours of nursing coursework in the BSN curriculum. See the chart below that outlines the course title and credit hours. All nursing courses listed are required and must be completed at Aultman College.

Students must complete sixty-two (62) credit hours of general education coursework, all of which is available at Aultman College. There is the opportunity to transfer in fifty (50) of those sixty-two (62) credit hours. The chart below lists courses that can be taken to meet your general education course requirements.
