I'm interested in applying. What are my next steps?

- You can view the admissions process and access the application by visiting aultmancollege.edu/apply-now

I've already submitted an application. What happens next?

- You will need to submit your official high school and college transcripts from all institutions you attended by the posted deadline. You can contact the recruiter to see what is needed and how to send your official documents.

I have been admitted to my program. What happens next?

- Congratulations! You will receive an acceptance packet with all the information on how to reserve your spot. For more information, please email Admissions.

I have reserved my seat for next semester. When can I schedule my classes?

- You will be sent information on orientation dates several weeks prior to the start of the semester. At orientation, you will schedule classes and make final arrangements for next semester.

How do I schedule an appointment to discuss the college and my program of interest in more detail?

- Please email the recruiter to schedule a phone or video session.

Where should I have my transcripts sent?

- The fastest, most preferred way is to have your previous school send us the transcript electronically at the email address recruiter@aultmancollege.edu. We do not accept official transcripts from a student's email address.

Is there a way to know how many of my college credits will transfer before I apply?

- Yes. To request an unofficial transcript evaluation please email the recruiter and attach all college transcripts to be evaluated.

How do I apply for financial aid?

- Our Completing the FAFSA page will walk you through everything needed to submit your FAFSA: aultmancollege.edu/completing-the-fafsa

Do you offer scholarships?

- Yes. You can view available scholarships and links by visiting: aultmancollege.edu/scholarships

What support services are offered to students?

- View various support services by visiting aultmancollege.edu/resources

Will you be holding classes on campus?

- The state of Ohio has not issued official guidance on next semester for colleges and universities. This semester, Aultman College is holding many classes online and some labs and clinical sessions are being held on campus.
