

We're your neighbors, your friends  
and your family ... We've got you.

**AULTMAN**

### ELIGIBILITY CRITERIA

- High school graduate
- Undergraduate or graduate student currently enrolled at Aultman College of Nursing & Health Sciences, Kent State University, Malone University, Stark State College, University of Mount Union, University of Akron, or Walsh University
- GPA: 2.5 or higher preferred
- Identifies as a member of a minoritized population as it pertains to race and/or ethnicity

### GEORGE LEMON SCHOLARS PROGRAM

Aultman actively embraces diversity and recognizes the value and uniqueness of all individuals, so that we may better meet the needs of our patients and customers.

Named after long-standing board member, George Lemon, the George Lemon Scholars Program was created to provide meaningful experiential learning in the form of an internship at the Aultman Health Foundation to minority students in a variety of disciplines within the healthcare setting.

### INTERNSHIPS ARE AVAILABLE IN:

- Artificial Intelligence
- Human Resources & Education
- Information Systems (AultCare)
