

LPN to ASN

ASSOCIATE OF SCIENCE IN NURSING

About the Program

The LPN-ASN program is part of a 130-year tradition of excellence in nursing education at Aultman. The program combines classroom instruction; hands-on experiences in skills and simulation laboratories; and clinical placements in a variety of settings to prepare you for the national licensing exam (NCLEX) to become a registered nurse (RN).

Career Pathways

As an RN, you can work in a variety of clinical settings: hospitals, physician offices, clinics, surgery centers, and long-term care and rehabilitation facilities.

The LPN-ASN curriculum design also provides for progression to our BSN Completion (BSN-C) program, which allows you to broaden your career opportunities and further your education to become a nurse anesthetist, nurse practitioner, nurse leader or educator.

Admission Requirements

- A valid unencumbered Ohio Practical Nursing License or an unencumbered Multi-State Practical Nursing License issued by the state Board of Nursing in which the student permanently resides.
- Students who are attending college for the first time must have a minimum of the following:
 - 3.0 high school GPA or equivalency
 - 20 ACT (1030 SAT or ACCUPLACER Next Gen scores: Reading Comprehension of 250+ and Quantitative Reasoning, Algebra and Statistics Score of 263+)
 - 58.7% composite TEAS score and 58.7% or higher on each of the four sections
- Transfer students must have 6 or more credit hours of college pre-requisite course work and a minimum GPA of 2.7 based on the most recent college transcript.

Application Process

Interested students will need to submit a completed application online at aultmancollege.edu and submit all required documents.

Full-time

Direct-entry program

Program admits fall and spring semesters. Check our website for application deadlines.

Accredited by the Accreditation Commission for Education in Nursing (ACEN) and approved by the Ohio Board of Nursing (OBN)

LPN to ASN

ASSOCIATE OF SCIENCE IN NURSING

A minimum of 73 credit hours is needed for graduation requirements.

Pre-requisites

BIO 205	Anatomy and Physiology I	3
BIO 205L	Anatomy and Physiology I Lab	1
SOC 121	Introduction to Sociology	3
PSY 111	Introduction to Psychology	3

TOTAL 10

A student must complete prerequisite courses successfully to enroll in subsequent courses.

Prior Learning Assessment

NRS 101	Foundations I	3
MTH 102	Math for Health Professionals	3
HSC 119	Medical Language	2
PHL 104	Medical Ethics	3

TOTAL 11

Prior Learning Assessment credits are awarded with a valid unencumbered license as indicated in the admission requirements.

Semester One

BIO 207	Anatomy and Physiology II	3
BIO 207L	Anatomy and Physiology II Lab	1
ENG 105	College Composition I	3
SLS 107	Maximizing Your College Experience	1
NRS 106	Foundations II	2.5
NRS 103	Medical-Surgical Nursing I	4

TOTAL 14.5

Semester Two

HSC 115	US Healthcare Systems	3
NRS 200	Pharmacology for Nursing	3
NRS 108	Medical-Surgical Nursing II	4.5
HSC	HSC Elective	2

TOTAL 12.5

Semester Three

CHM 103	Physiological Chemistry	3
CHM 103L	Physiological Chemistry Lab	1
NRS 201	Medical-Surgical Nursing III	4
NRS 206	Mental Health Nursing	2
PSY 211	Human Growth and Development	3

TOTAL 13

Semester Four

BIO 216	Microbiology for Health Sciences	3
BIO 215L	Microbiology Lab	1
NRS 203	Medical-Surgical Nursing IV	4
NRS 204	Maternal-Child Nursing	3
NRS 216	NCLEX Review	1

TOTAL 12
