Aultman College

Annual 2013 Campus Security Report

INTRODUCTION

Aultman College prepares this report in cooperation with the Aultman Hospital security department to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. This report includes statistics for the previous three years concerning reported crimes that occurred on campus and on public property within, or immediately adjacent to and accessible from, the college campus. The report also includes institutional policies concerning campus security and other matters. A hard copy of the report is available by contacting the college Safety Coordinator.

The college makes this information available to all students, employees, and applicants for enrollment or employment, as required by the United States Department of Education.

SECURITY ON CAMPUS

Aultman College is a subsidiary corporation of Aultman Hospital and is located on the hospital campus where the Aultman Safety and Security Office provides services for the college.

Safety and security on campus is of paramount importance. Aultman Security seeks to provide a safe campus environment and regularly patrols the campus area. Although the college does not have a history of serious crimes, no campus is immune. The complete cooperation and commitment of students and employees is necessary to maintain a truly safe environment. Students and employees must assume responsibility for their own safety and for the security of their personal belongings.

Aultman security officers have the authority to ask persons for identification and to determine whether individuals have lawful business at the college. Aultman Security officers have the authority to issue parking citations but do not have arrest power. They maintain a professional working relationship with and refer criminal incidents to the Canton City Police Department (CCPD), which has jurisdiction on the campus. All crime victims and witnesses are strongly encouraged to immediately report a crime to Aultman Security and Canton City police. Prompt reporting will assure timely warning notices on campus and timely disclosure of crime statistics.

Aultman Security can and does respond to student-related incidents that occur on campus, and it also has direct communication with Canton City police, fire, and ambulance services to facilitate rapid response in any emergency situation.

SECURITY AND AWARENESS PROGRAMS

During student orientation, students are informed of services offered by Aultman Security. Students are also routinely informed of ways to maintain personal safety. Similar information is presented to new employees.

The Student Life Coordinator organizes periodic programs on campus that deal with student safety; Aultman provides similar updates for employees. Program schedules are communicated to students via student portal announcements, student email messages, the monthly student newsletter, and bulletin boards located in common areas on campus. Communications to employees are made via the college-wide email system or the Aultman intranet.

GENERAL SAFETY PRECAUTIONS

A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own safety and the safety of others. To enhance personal safety,

Aultman Security officers are available to escort students to and from their vehicles parked on the Aultman campus. Students and employees are encouraged to use this service after dark.

Members of the college community are encouraged to assume responsibility for their own personal safety and security of personal belongings by taking the following simple, common sense precautions.

- Although the campus is well lighted, do not walk alone in the campus area after dark.
- Keep purses/billfolds and other valuables with you or stored in a campus locker, locked office, or desk.
- Do not provide personal identifying information over the phone.
- Report any potential fire hazards or broken equipment to the Aultman Help Desk at 330-363-6238.
- Report any unusual circumstances to the college front desk (330-363-6347) or to Aultman Security (330-363-6268).

REPORTING CRIMINAL OFFENSES

In the event of an emergency, dial 911. To report a criminal offense call Aultman Security at 330-363-6268 (non-emergencies) or by using any of the security phones that are located on the Aultman campus. In addition, you may report a crime to any college faculty or staff.

Any suspicious activity or person seen on or near the Aultman campus should be reported to Aultman Security.

The college encourages anyone who is the victim or witness to any crime to promptly report the incident to the Aultman Security.

All reports will be investigated. Violations of the law will be referred to Canton City police by Aultman Security.

WENS SAFETY ALERT SYSTEM

Aultman College utilizes an Internet-based mass communication system, called WENS (Wireless Emergency Notification System) to notify all students, faculty, and staff of school closings and emergency situations. In the event of an emergency situation or school closing, an official message will be sent to all communication devices students have registered with Aultman College. The WENS caller ID for text or voice communications will read 330-363-6911 on a landline or cell phone. WENS e-mail communications will come from "Aultman College." WENS communications will continue to be sent until WENS confirms they have been received via an answered device or an opened e-mail or text message. Students are responsible for keeping all of their contact information current with the college. Phone number and contact information changes should be communicated through the Change of Information form, available in the main office.

ACCESS TO CAMPUS BUILDINGS

Aultman College is an independent institution and considered private property. A photo identification badge is issued to each student and employee to provide access to appropriate areas. Persons who do not have legitimate business on campus may be asked to leave or considered trespassers. During business hours, the college is open to students, parents, employees, hospital personnel, contractors, guests, and invitees.

ALCOHOL AND DRUG POLICY PROGRAMS

Aultman College has adopted the following substance abuse policy for the purposes outlined below:

- To establish and maintain a safe, healthy learning environment for students/employees
- To provide a safe, healthy environment for clients while providing care

- To preserve the reputation of the college and its employees within the community at large and within the health care community

The college opposes substance abuse and will enforce its rules regarding alcohol and illegal drugs. It supports and will cooperate with authorities at the local, state, and federal levels regarding the regulation of alcohol and illegal drugs. The college will not protect a student/employee in violation of the law from prosecution under federal, state, or local law. The college will not provide sanction from the law nor are the students/employees immune from legal investigation or arrest by civil authorities.

The following rules represent college policy concerning substance abuse.

- All students are prohibited from attending class, labs, or clinicals of any nature or any college related activities under the influence of alcohol or illegal drugs.
- All employees are prohibited from working under the influence of alcohol or illegal drugs.
- The manufacture, sale, possession, distribution or use of illegal drugs on Aultman property or while engaged in official college educational activities is strictly prohibited and cause for dismissal.
- For purposes of this policy, "illegal drug" includes any prescription drug for which the individual does not have a valid prescription. Only the person for whom a prescription drug is issued can bring the medication on Aultman property in its original container. The student/employee must use the prescription drug only in the manner, combination, and quantity prescribed.

The college requires a student to submit to blood, breath, or urine testing for drugs and/or alcohol for reasonable cause. Refusal to submit to testing for reasonable cause is grounds for dismissal. The college Substance Abuse Prevention Program outlines information for referral resources for counseling and/or treatment; specific local, state, and federal laws governing unlawful possession and distribution of illicit drugs and alcohol; and health risks associated with the use and abuse of alcohol and/or illicit drugs. This information is available in Aultman Hospital's Health Services, the college Financial Aid Office, the college website, and the Student Portal.

VIOLENT OFFENSES OF CONDUCT

Threats

A threat to inflict harm on oneself or others, while on college premises or at college sponsored events, must be taken seriously and responded to immediately. A person hearing such a threat should report it immediately to one of the following college officials: security, administrative staff, or faculty.

The college strives to maintain an environment where people of different beliefs and values can learn to live harmoniously. Therefore, any type of verbal or nonverbal harassment, intimidation, retaliation, or threatening behavior on the part of students will not be tolerated. Depending on the circumstances, this type of behavior could result in dismissal from the college.

Assault

An assault, sexual or nonsexual, committed by a member of the campus community against another member of the campus or local community will result in immediate dismissal from campus and/or any other college activities. All prospective employees may obtain a copy from the same location.

In accordance with federal law, the college reports specific crimes, attempted crimes, and arrest statistics annually. College policy is to make timely reports to the campus community regarding incidents of criminal activity considered to be a threat to students and employees.
