

## Aultman College Hybrid Course Evaluation

The following questions are found on the end of semester course evaluations for all Hybrid courses offered at Aultman College each semester or session. The underlined questions are specific to the hybrid courses. Evaluations are administered via CAMS, and aggregate result reports are distributed to faculty at the close of each semester.

**Scale: Strongly Agree / Agree / Disagree / Strongly Disagree**

1. The course syllabus provided information that included the course objectives, assignments, grading systems and expectations.
2. The graded course assessments (tests, quizzes, etc.) reflected the text material, handouts, and lectures.
3. The instructor was prepared and organized.
4. The instructor demonstrated knowledge of the subject.
5. The instructor was effective in presenting the course material.
6. There was an atmosphere of mutual respect in the classroom.
7. I had the opportunity to share my ideas and experiences.
8. I received help and feedback from the instructor when I asked for it.
9. I was free to ask questions.
10. I learned information/skills from this course that contributed to my intellectual growth.
11. Various learning activities/experiences were available in this course
12. This course challenged me to think critically and apply new knowledge.
13. The online interaction with my instructor contributed to my learning.
14. The online learning management system (My LMS) is easy to use.
15. The resources available within the online learning management system (e.g. PowerPoint, exercises, external web links) reinforced my learning.
16. The discussion threads supported my learning.
17. Overall, the workload for this hybrid course was comparable to the workload for an equivalent face-to-face course.
18. I would recommend this hybrid course to other students.

(Write-in comments)

19. Describe aspects of the course/instructor which most effectively helped you learn.
20. What ideas would you have to make this course more effective?
