

## **Aultman College (Gen Ed, NRS, & RAD) LAB End of Semester Evaluation**

The following questions are found on the end of semester course evaluations for all lab courses offered at Aultman College each semester or session. The evaluations are administered via CAMS, and aggregate result reports are distributed to faculty at the close of each semester.

**Scale: Strongly Agree/Agree/Disagree/Strongly Disagree**

*For statements 1-11, please choose your level of agreement with each of the following aspects of this lab course:*

1. The syllabus provided information that included the course competencies, assignments, grading systems and expectations.
2. The graded lab assessments reflected the lab manual/textbook, handouts, and lectures.
3. The instructor was prepared and organized.
4. The instructor demonstrated knowledge of the subject.
5. There was an atmosphere of mutual respect in the lab.
6. I received help and feedback from the instructor when I asked for it.
7. I was free to ask questions.
8. I learned information/skills from this course that contributed to my intellectual growth.
9. The lab experience complemented the theory presented in the corresponding lecture course.
10. Safety was a top priority in lab.
11. I had the necessary/modern equipment needed to support the learning activities in this lab.
12. If you answered "DISAGREE" or "STRONGLY DISAGREE" to the previous statement, what was lacking in the lab that did not support the lab activities? {Text box write-in}
  - If answered "AGREE" or "STRONGLY AGREE", proceed to next statement.

*For statements 13-14, please provide your constructive written comments for this course.*

13. Describe aspects of the lab which most effectively helped you learn.
14. What ideas would you have to make this course more effective?

Slh 3/31/11; Rev 5/3/11; 5/29/13
