

Aultman College (RAD) CLINICAL Evaluation

The following questions are found on the end of semester course evaluations for all Radiography clinical courses offered at Aultman College each semester or session. The evaluations are administered via CAMS, and aggregate result reports are distributed to faculty at the close of each semester.

Scale: Strongly Agree/Agree/Disagree/Strongly Disagree

For statements 1-10, please choose your level of agreement with each of the following aspects of this laboratory course:

1. The clinical instructor(s) provided guidance and development of clinical skills.
2. The clinical instructor(s) offered timely feedback on clinical performance.
3. The clinical instructor(s) facilitated my learning and encouraged critical thinking and application of new knowledge.
4. The clinical instructor(s) demonstrated a high standard of patient care.
5. The clinical instructor(s) supported the program policies and procedures.
6. Safety was a top priority in my clinical experience.
7. The clinical site staff served as professional role models.
8. The assigned clinical site staff supported the student's learning experience.
9. The clinical site staff provided experiences that are based on current knowledge and practice.
10. The clinical site(s) provided opportunities for practicing clinical skills that met competency requirements.
11. If you answered "DISAGREE" or "STRONGLY DISAGREE" to the previous statement, what was lacking that the competencies could not be met? {Text box write-in}
 - If answered "AGREE" or "STRONGLY AGREE", proceed to the next statement.
12. Please list your primary clinical instructor(s) this semester {Text Box Write-in}
13. Please list your primary clinical site(s) this semester {Text Box Write-in}

For statements 14-15, please provide your constructive written comments for this course.
