

# SOCIAL WORK

## BACHELOR'S DEGREE

### About the Program

The bachelor of social work (BSW) at Aultman College is a four-year degree with field work components that will prepare you to become a licensed social worker (LSW) upon graduation. You can complete this degree in as little as three years.

### The Aultman Advantage

Through this program's unique classes and field experiences, you will learn how to navigate various systems in the ever-changing healthcare field; for example, the ins and outs of hospital admissions and payment sources such as Medicare, Medicaid, and private health insurances. You will also learn to practice in generalist settings such as child welfare, foster care, community health, end-of-life/hospice, substance abuse, and domestic violence.

Our students also can take a block internship (your on-site hours are concentrated in one semester versus spread out over two). This allows you to do more follow-through work during the course of a given week with clients in the field.

### Career Pathways

Employers such as hospitals, long-term care facilities, outpatient community clinics, and mental health and chemical dependency centers are seeking social workers with knowledge of the healthcare field. Many students also go on to obtain a master's degree in social work (MSW).

### Admission Requirements

- Graduating high school students must have a minimum 3.0 high school GPA (660 GED) or 20 ACT ((1030 SAT or ACCUPLACER Next Gen scores: Reading Comprehension of 250+ and a Quantitative Reasoning, Algebra and Statistics Score of 263+).
- Transfer students must have 6 or more credit hours of college course work and a minimum GPA of 2.5 based on the most recent college transcript.

### Application Process

Interested students will need to submit a completed application online at [aultmancollege.edu](http://aultmancollege.edu) and submit official high school and college transcripts.

Full-time or part-time

Direct entry into the professional division upon acceptance

Program admits fall and spring semesters. Check our website for application deadlines.

Approved by the Higher Learning Commission
