

Social Work Transfer Guide: Complete Your Bachelor's Degree

Get Credit for Your Coursework

Students in the associate of applied science in human and social services and the human and social services – chemical dependency major at Stark State College can receive up to 62 credit hours toward a bachelor's degree in social work (BSW) at Aultman College. This could put you up to halfway toward the total 120 credit hours required for the BSW.

Admission Requirements

Transfer students must have 6 or more credit hours of college course work and a minimum GPA of 2.5 based on the most recent college transcript.

To Apply

For deadlines and an application checklist, visit aultmancollege.edu/apply-now. As part of the application process, you will need to submit your official high school and college transcripts. Your Stark State transcript will then be evaluated to assure compliance with Aultman College's transfer credit policy.
