

TRANSFER CREDIT EQUIVALENCIES

***NOTE:** Science Labs should be in traditional laboratory setting to be considered for transfer credit.

****Note:** Effective Spring 2015 for Associate’s Degrees programs only, all Math and Science courses must have a grade of B (3.0) or better to be accepted for transfer credit.

This table summarizes those courses and exam scores most likely to transfer to Aultman College of Nursing and Health Sciences (ACNHS). Upper level coursework beyond that listed below will be considered on an individual basis. All credits shown in parentheses are semester credit hours (e.g. (4) = 4 semester credit hours). Blank squares indicate no equivalent credit. Aultman College reserves the right to change/alter this document at any time. The most up to date version will be available on the College website: www.aultmancollege.edu. Please note that a Bachelor’s Degree in a particular content area may negate the seven year limit on awarded transfer credit.

ACNHS COURSE LIST	Equivalent Course(s)								Equivalent Credit	
	Ashland University	Cuyahoga Community College	Kent State University	Malone University	Stark State College	University of Akron	University of Mt. Union	Walsh University	AP Score of 3 or greater on the exam indicated	CLEP Score of 50 th percentile or greater on the exam indicated
BIO105 Structure & Function I (3) *Any A&P courses listed for BIO 205 & 207 transfer credit will be considered for BIO 105 & 107.	BIO125 Anatomy & Physiology I (3)		BSCI 11010 A&PI for Allied Health (3) AND BSCI 11020 A&P II for Allied Health (3)			BIO106 A&P I: Allied Health (3) AND BIO107 A&P II: Allied Health (3)
